EMERGENCY ACTION PLAN

Softball Field

Emergency Personnel: Athletic Health Care Trainer (AHCT) will be on site for select practices and events or in direct communication with coaching staff. Emergencies during practices/games not covered, EMS should be contacted immediately.

Emergency Procedures:

- 1) Immediate care of the injured or ill student athlete
 - a) Call/send for **AHCT** for guidance
 - b) In any case (with or without AHCT present), **do not touch or move** a student athlete who may have a dislocation, fracture/broken bone, or spinal/cervical/neck injury
- 2) Activate emergency medical system (EMS) when immediate care is deemed necessary
 - a) **Non-catastrophic** (Scene is safe, condition is stable)
 - **Call parent/guardian**; ask if they want their child transported by EMS. Do not move/relocate the victim.
 - b) **Catastrophic** (Scene is unsafe, condition is unstable/life or limb threatening)
 - **Call 911** (*If dialing from a campus phone you must first dial "8" for an outside line*)
 1. Information for EMS Personnel
 - a. Caller's Name, Address: **91-980 North Road Ewa Beach, HI 96706**,
***EMS to be instructed to enter from Kuhina Road entrance, left on Pailani Street**
Phone Number of Caller
 - b. Number of victims, Condition of victims
 - c. First Aid/CPR trained/initiated
 - d. Instruct EMS to enter location through the appropriate entrances
 2. **Do not hang up until EMS hangs up**
- 3) Emergency equipment retrieval (AED, medical kit, splint kit, spine board) - located in Athletic Training Room
- 4) Direction of EMS to scene
 - a) Open appropriate gates
 - b) Designate individual to "flag down" EMS and direct to scene
 - c) **Scene control** (Coaches): limit scene to first responders, move bystanders away, maintain clear access
- 5) Report incident to AHCT and athletic director if not present
- 6) If available an assistant coach should go with the athlete to the hospital or follow in a car if not allowed in ambulance
- 7) Document event and debrief
